Lavatory

R o u g h - i n D i m e n s i o n s

All Mansfield wall mounted lavatories are supplied with this exclusive one-piece steel hanger. Easily installed and adjusted, it contains 7 holes for solid mounting against wall. Anchoring screws must be used for correct installation. Standard plumbing practice recommends use of both mounting bracket and anchoring screws. NOTE: For secure installation, wall mounting hanger should be fastened to solid, support wall stud.

NOTE: Rough-in measurements may vary 1/4" (±).

See our complete line of acrylic, vitreous china, cast iron and enameled steel bathroom and kitchen fixtures, plastic tank trim and plumbing products.
